## EXPERIENCE BIRDS OF PREY AT YOUR SCHOOL

Our school visits are very popular and are run by experienced and Professional Falconers with a passion for the birds that will thrill the children.

From Primary through to Junior and Comprehensive, our School Experience covers topics within the National Curriculum which covers many subjects included in the various key stages.

The talk is presented in a language aimed specifically at the pupil's age in way to ensure they understand and relate to the information they receive. We can bring along a range of Birds of Prey including.

Eagles, Falcons, Hawks and Owls. From the very smallest owl to one of the largest owls in the world.

Many of our Birds you will never see anywhere else on display in the UK.

We have 2 Simple Options for you to choose from depending on your needs.

### Option 1 - Educational Talk

### DON'T TAKE OUR WORD FOR IT !

St Bernadette's School - Pentwyn, Cardiff

"Our Nursery and Reception children had been sharing the storybooks 'Owl Babies' by Martin Waddell and 'The Owl who was Afraid of the Dark' by Jill Tomlinson. They were really keen to find out more about owls.

When Falconry UK arrived at the school, we were very impressed by how well organised they were. They set up quickly, bringing all the equipment required.

Jason spoke to the children at their level, adding in interesting details for the staff. He was more than happy to answer any questions we had and was very knowledgeable and professional. His respect and love for the birds in his care was obvious to all, even the children responding well and show no fear when handling the birds (owls, hawks and falcons).

Even the youngest children were enthralled for the whole session and the visit created huge amounts of discussion and sparked lots of creative activities on our 'Owl' theme.

We would highly recommend Falconry UK to all educational settings and we can't wait for our next visit."
